The Amica club which formerly had rooms above Hanks & Chilson's store, has announced its dissolution.

At the regular college vesper service in the McCullough Gymnasium Sunday, the 10th, President Thomas spoke from the text, "Quit You Like Men," 1st Corinthians 16, the 13th verse.

College tag day turned out to be quite a success. The proceeds will be used to meet the expense of the annual debate with the University of Vermont. According to the present outlook the debate will not be held before March.

The junior class election was held Monday in the Hemicycle. The officers elected were as follows: President, Horsford; vice president, Miss Linnell; secretary, Miss Frost; and treasurer, Vaughn.

Coach Holmes has some new apparatus in the office in the gymnasium and starting with the men of the freshmen class everyone will put through a rigorous physical examination, and a record of each man kept on file.

Statistics of the church preference of the under-graduates have been compiled. The figures are as follows: Congregational 139, Baptist 49, Methodist 45, Episcopal 36, Catholic 32, Presbyterian 19, Universalist 8, Christian Science 3, Lutheran 1, Advent 1, Church of England 1, Jewish 1.

The first college dance of the year was held in the gymnasium Saturday night the 9th. About sixty couples were present. Music was furnished by the college orchestra under the direction of the new leader, Mr. Vittum. Comments on all sides indicate that it was one of the best social dances ever held in the gym.

Middlebury should not be disappointed that we did not pile up a big score against Stevens Technical School in the game last Saturday, for the Stevens team averaged ten pounds to a man heavier than the Middlebury men. Stevens had beaten Connecticut Agricultural College this year by a score of 14 to 3.

A good crowd was in attendance at the Union meeting and smoker held in the McCullough gymnasium on the evening of October 8. The interclass track meet held on Monday, the 11th, was won by the freshmen. Not much interest was shown in it as the day was cold and a number of men were practicing with the football team. The freshmen had men entered in every event and took many points because there were no men from other classes entered. But many of them showed good form and promise to make good material for the varsity track team, which will be chosen in the spring. The junior class was second in the meet, and the seniors, who had one man entered, and the sophomores, who had two, were at the smaller end of the score.

The college second team went to Rutland Tuesday and suffered a defeat at the hands of Rutland High school, score 13 to 7. The following men went on the trip: Brickett, Harrison, Good, Mason, Messing, Hubbard, Ames-

son, Whitney, Eddy, Bolivar, Lee, Earl, Pollard, Hard, Aldrich, A. Parker, and G. Lamere. Lamere made Middlebury's one touchdown and Hubbard kicked the goal. Middlebury lost several chances to score on account of poor interference and fumbling. Rutland made many of her gains through tackle. The Middlebury backfield played together well but Middlebury lost through not being able to hold Rutland in the line.

Dogs of War.
The "dogs of war" have been more than a figure of speech for thousands of years. They were used in Egypt 400 B. C. The Romans, the Teutons and other fighting nations of antiquity depended much on them for sentinel and defense purposes. In the middle ages they are said to have even worn armor. The Spanish discoverers used bloodhounds in tracking the Indians in this country.
